MATCHING GIFTS

Many employers offer a matching gift program to eligible employees. If you or your spouse work for a company with a matching gift program, your gift to Penn AC may be doubled or tripled simply by completing a form that will be available from your employer.

Some common questions and answers about matching gifts:

How does the matching gift program work?

When you make a gift to Penn AC, your employer makes a gift in your name as well. For example, if you make a gift of \$250 to Penn AC, your employer may contribute a corresponding gift ranging from \$250 to \$500, depending on your company's matching policy.

What are the advantages?

As a donor, you will be credited with the total contribution, including the corporate match.
